**MEMORANDUM FOR:**

Director of Operations, DPS/DCI

**REFERENCE :** Cable [REDACTED] 2797 (IN 44259) dated 4 August 1958

The device described in the reference sounds most ingenious to me. I hope you will evaluate it (or have it evaluated for you) as quickly as possible and, if it has merit, see that it is made available to Detachment B. I believe this is the kind of initiative that should be strongly encouraged. Should not something like the attached draft cable be sent out to Detachment B?
